

Corporate Globalization:

TRADING AWAY OUR RIGHT TO PROTECT ANIMALS

Featuring Dr. Michael Greger, MD

In this lively and entertaining presentation, infused with vast historical background and ironic humor, Dr. Greger explores what may be the greatest threat ever posed to animal protection.

“Michael Greger’s work is imbued with deep commitment, discerning intelligence, and life-affirming compassion. His work is a gift to our times.” John Robbins, author of Diet for a New America
